Hi all,

Confirming tomorrow's clean up of Alexandria park.

CARE and R&P will be on site. It is the first priority location for CARE.

Please let me know if you have any questions!

Hi all,

Thank you for letting me know.

Brenda,

If we can schedule the location for Tuesday or Wednesday that would be great--that way I can schedule it on our CARE sheets as well. I have included LAPD SLO Jennifer Duvally so that she can confirm whether Tuesday or Wednesday would be better for this coordination.

Sarah,

Thank you for letting me know!

Officer Duvally,

Please advise at your earliest convenience on whether Tuesday or Wednesday is preferred.

Thank you in advance!

Thank you Brenda!

Tiffany, RAP is the lead agency for their facilities and we can support them in their posted clean-up or any spot cleaning but we do need to coordinate with them and be there at the same time. If Brenda can identify a date for the spot cleaning later in the week we can have CARE assist.

Hi Tiffany,

Thanks for reaching out, we have just one team to conduct cleanup operations and they will be addressing several locations on Monday that are safety threats for our employees in the field. Because we have to post cleanups ahead of time we cannot reschedule these as we would have to wait another two weeks for LAHSA approval. We can schedule a spot clean for the park later in the week if that is helpful? We will be in your district on Monday at Valley Plaza, North Hollywood and the bike path closest to Whitsett. Let me know if the spot clean will be helpful. I think we can add it to Tuesday or Wednesday.

Hi Brenda,

I hope all is well with you. I wanted to touch base with you regarding a clean-up for Alexandria Park location on Laurel Canyon and Erwin. I was hoping we can have a team out there Monday. I will also be scheduling for our CARE team to be on site on Monday as well, and LAPD will have a presence also as well as the private property parking lots security and clean up crew.

Can a R&P crew be out there on Monday?
